### How Do I Access Healthcare After Hours?

Should you become ill after hours, the follow-  
ing options are available:

- Call the Nurse Advice Line at  
1-800-308-3518
- Contact the duty Primary Care Manager at  
703-784-1699 or toll free at 1-888-784-  
1802. The Primary Care Manager (PCM)  
will assess your illness and refer you to an  
appropriate level of care.

### How Do I Access Healthcare When I am Out-of-Town?

If you are a Prime Enrollee and become ill  
while you are out of town, be certain to contact  
the Healthcare Finder at toll free 1-888-999-  
5195. For Emergencies go to the nearest  
Emergency Room or call 911.

## Hours of Operation and Clinic Information

**Naval Medical Clinic Quantico is staffed and equipped to provide non-emergent, quality healthcare.**

TRICARE patients with medical emergencies should seek, without delay, care at the NEAREST emergency room or dial 911.

To see a provider **all patients** must have an appointment.

**Walk in appointments are NOT available.**

To make an appointment with your Primary Care Manager, a same day appointment, or a specialty appointment call:

**1-888-999-5195 for Sierra Military Healthcare.**

TRICARE and Special Provision Program patients can also use TRICARE-ON-LINE for routine or follow up appointments. Go to the internet address [www.tricareonline.com](http://www.tricareonline.com).

To leave a message with your Primary Care Manager, check on lab results or request for renewal on medication, call (703) 784-1725 or 784-1699 between 0700 - 1600, or Toll Free at 1 (888) 784-1802.

### General Information

- If you scheduled your appointment the day of or within 24 hours prior to the appointment, please make sure you get your medical record before checking in for your appointment.
- Please arrive **15 minutes** prior to your appointment time. Patients that arrive late may be asked to reschedule or incur a delay being seen due to other scheduled appointments.
